## Experience

### *Apple Store, Lincoln Park Genius, Family Room Specialist*

Performed hardware and software repairs on mobile devices and Macs. Helped customers implement technology into their lives and made them confident in using them.  
(Nov 2013-Present)

### *Columbia College Chicago Student Administrative Assistant*

Oversaw implementation and deployment of tablets and software. Imported and managed private student files in databases.  
(Sept 2012-Aug 2014)

### *Schubas & Lincoln Hall Intern Graphic Designer*

Created advertisements for upcoming shows and events. Helped with other design tasks.  
(Dec 2012-Apr 2013)

### *Columbia College Chicago Orientation Leader, Ambassador*

Gave scheduling and extracurricular advice to new students. Supported students with special concerns.  
(June 2012-Feb 2013)

## Objective

To work with a company that respects my morals and goals while giving me opportunities to grow, and that would benefit from the persistence of my work in art and technology.

## Skills

Adobe Creative Suite, computer and mobile device software and hardware repair/troubleshooting (PC or Mac), HTML/CSS, office software applications.

## Education

### *Columbia College Chicago BFA in Graphic Design*

Graduated December, 2014  
(Fall 2011-Fall 2014)

### *Illinois Valley Community College General Studies (no diploma)*

Transferred to Columbia  
(Fall 2010-Spring 2011)

### *La Salle-Peru High School High School Diploma*

Class of 2010  
(2006-2010)
